

Seminar on Population Education

A seminar on Population Education was organized on **17th March 2021** in the **S.S.S. B.Ed. College**. It was attended by students of Semester III as well Faculty Members.

The key note speakers were **Dr. S.M. Kumar** and **Asst. Prof. Sunil Kumar Mehta**.

The speakers elaborated the varied problems linked with over population at all levels like family to the world. The social, cultural, political factors need deep deliberation to solve the problem to move on the PATH of real development.

Education at secondary level may play important role to plant the concept of a small family in the interest of quality of life.

The speaker Dr. S.M. Kumar emphasized that the B.Ed. students can play important role in future.
