

Observation of Swachhta Pakhwada, 2020, Report thereon.

This has reference to **No. 534C-Wing, Shastri Bhawan, New Delhi** Date **13th January 2020**.

S.S.S. B.Ed. College, Bokaro Steel City took the campaign sincerely in view of the intensive and extensive value of cleanliness.

The college approached a neighboring school to use this opportunity with a long range of educative value. The purpose was to create interest in view of the varied utility to standardize the cleanliness at large.

The participants showed keen interest in poster-making and slogan writing on cleanliness. The cleanliness drive in the college campus proved to be not only productive but also enthusiastic.

Dr. S.M. Kumar, Administrator, highlighted the positive effect of cleanliness on mental, personal, physical, environmental and social health.

The school children involved were educated to stop wastage of water.

A group of faculty members visited a nearby village to motivate for cleanliness for good health.

On the concluding a brief glimpse was presented to focusing the important activation whereas a number of prize were given away for attractive and impressive write-ups **M/S Ranjeeta Sharma** read out the pledge followed by the gathering.

Asst. Prof. **Sunil Kumar**, Asst. Prof. **Mahesh Kumar** & Asst. Prof. **Pradeep Kumar Vishwakarma** were among the important participant.

Can be said that the program was up to the expectation.
